Ladies Invitation Day *Report by Anne Clifford*

7th August was ladies invitation day & once again it proved to be a very successful occasion.

Two clubs namely The Downsman and Southwick Park were invited for the first time in addition to the other five clubs who have become regulars over many years.

We were so lucky to

have a fine day & therefore all the games could be completed before we sat down to a delicious meal.

Many of the visitors contributed to the raffle making an excellent sum of £186. which will go to our charity of the year namely St.Peters & St.James Hospice at Wivelsfield Green. The final sum donated to the hospice finished up as £323.

I would like to thank everyone for making the day so special for me as it is my final one as organiser and I am handing over the reins to Marsha Shand who I hope, will enjoy running it as much as I have.

Many thanks to all who helped with various jobs on & off the green, in the kitchen & clubhouse.

Finally I thank all the ladies for the lovely plant & vouchers which was very generous of you.

The Jackson Trophy

The Jackson Trophy has been played for 20 years and has only been rained off on two occasions. The match and trophy was the idea of Captain Fred Jackson and his Vice Captain Keith Jackson who donated the trophy for an annual match between the two league teams at the end of the league season. There has always been a fish & chip supper following the match with all players & guests invited who have appeared in any of the league matches.

The 21st. annual match this season featured some changes this time around with several Mid-Sussex players unavailable, however once again a competitive match was expected and we were not disappointed. The weather stayed fine throughout the day and we were blessed with a fine evening.

The Spriggs team for only the fourth time ever lifted the trophy following a 6-4 victory. Bob Mitchells rink secured the trophy with a resounding win overcoming the deficit of the other two rinks. Jo receiving the trophy from Keith.

Please return all cups and shields to the clubhouse before finals day
